

Career Center Activity

Fullerton College
 Career and Life Planning Center
<http://fullerton.kuder.com>

Your Kuder assessment results, from the Fullerton College Career Planning System (powered by Kuder, Inc.), provide information which can help you organize your search and learn more about a career and/or major related to your interests, skills, and work values. This activity is the first step, “Research,” of the three-step [Career Planning Process](#). With this activity, you will concentrate on information such as why you are choosing a particular occupation, learn about your assessment results and how they relate to careers, and identify three related college majors. Please feel free to use the Career and Life Planning Center to assist you with your research and to print (free of charge) any information related to this activity.

Part I. MY KUDER RESULTS

Under each assessment, indicate date completed, your Code, and three related occupations that appeal to you most.

Question(s) for my counselor:

Transferring to UC or CSU:

Use ASSIST.org by logging onto www2.assist.org/exploring-majors/browseAreas.do to explore majors in the California State University (CSU) and University of California (UC) systems. There are three options to begin your search: (1) Select An Area of Study, (2) Enter a Major Name, or (3) view a list of Majors. With ASSIST.org, you can view the Articulation Agreement which shows you the major preparation coursework you will need to take here at Fullerton College. ASSIST.org will also offer you the direct link to visit the program pages of the University/Colleges’ websites. You will want to view the program and course descriptions of the degree program(s) in which you are interested.
